

March was a fantastic month for Whirlwind Missions! On Sunday, March 17th we hosted over 250 people from Perimeter Church in Atlanta. That day we held Outreach Events at 12 of our missions simultaneously! That was our largest outreach since our organization was born! Over 600 people heard the good news of Jesus Christ!

Campus Crusade for Christ and Mission to the World are our two newest partners. They plan on bringing teams into our area to help us "Take the Church, To the People!" I am very excited about hosting these two great evangelical organizations in our missions.

This month we added two new missions to our family of apartment complexes: Wyndam Creek and Northchase. Please pray for our leaders in these areas. Also pray for the Vice-President of Pinnacle properties. I am supposed to meet with her this month to discuss expansion into their nearly 100 complexes! Pray also for our continued work at Old Plantation apartments—this is the center of the Muslim population in Georgia.

God bless you for your continued support of our ministry! Seize the day!

"Take the Church, to the People!"
