Dear Tim

I just wanted to drop you a note and let you know how much I and all the kids here appreciate the wonderful things you did for us this summer.

The young people that you had in were great and the kids just loved them. I think one of the great things that happened was when one of your groups were a little late getting here and one of our little girls came up to my office and wanted to know what time the Jesus people would be here.

God Bless you Tim keep up the good work.

Kindest Regards
