## BIG NEWS!!

Around the first of December, Ashley came home with a big pile of applications in her hand. She's a junior at Parkview High School and wanted to work a part time job. I could tell by her face

that something was wrong.

"I've applied to sixteen different places, Daddy, but I don't want to do any of them. They just seem so meaningless. I want to work helping people like you do," she said.

"Well, honey, I reckon we can get something together for you. I'll see what I can do."

The *next day* I received a phone call from the new manager at Oakbrook Pointe apartments. This complex has over 700 units and is the largest in the county. The manager told me, "Tim, I've heard about your ministry and want you to come help us." I told him that we had worked there for several years and had a great partnership until the new owners took over. "Well the owners had a change of heart and want you to come back. When can you start?"

"I have someone in mind that would do an excellent job. I'll talk to her and get back with you." Of course I was thinking of Ashley!

She is so excited to actually be doing something that she feels called to do!

One of my new partners is Youth Outreach United. This organization helps young people raise their support and get them involved with missions. They are working at seven of our missions right now! We hope to expand that number to at least fifteen next year. Ashley will be working with both Whirlwind Missions and Youth Outreach United. She is trying to raise about \$500/month and will be working about 60 hours a month at the mission along with another Youth Outreach partner.

PLEASE consider adding a little bit extra to your support each month to help one of the best missionaries I know (ASHLEY!) "Take the Church, To the People." She has already started ministry there and has over 20 kids coming regularly! When you support Ashley you are supporting the future! Just make a note on the check of what you'd like to go to her!

**THANK YOU!!**

“Take the Church, to the People!”

First Baptist Church Mountain Park hosted Christmas Outreach Events in six locations. Many of these children had never heard the Christmas story!
