## Outreach Update

### April 2014

Hello my friends!

Early in the morning, I jumped in my car headed for Chamblee. Two teams from Birmingham eagerly awaited our briefing, Cultural Safari and work at the missions.

"Click." Nothing. I tried again. "Click, click." Nothing. The battery was completely dead. I quickly texted Ashley and told her that I'd be late. "Do I need to come pick you up?" she asked. "No. I'll figure something out." I rushed to my neighbor's house. I knocked at the first house. Then rang. Nothing. On to the second house. Ringing and knocking and still nothing. I began to get more frantic as I went to the third house. Ring, ring. KNOCK KNOCK. Third house, nothing. Back to the first house, FINALLY at my second try at the second house I heard someone moving. A sleepy neighbor heard my plea for help and offered her car keys so I could borrow her car and get mine car started.

In the fellowship hall where we have our meetings, we have a large picture of Jesus knocking on the door. You have probably seen a version of it. Our painting is nearly five foot tall. It's one of my favorites. I truly felt like that picture that morning! I was knocking, ringing and pounding on the doors and even though I knew they were home, no one was answering.

One of the best outreach projects we do with our teams is what we call the "Bags of Love." We buy sandwich bags and the teams decorate each bag with pictures of Jesus and the John 3:16 scripture in Spanish. We put a Spanish tract in each bag along with some candy for the resident. Our teams then knock on every door in the apartment complex, give them the bag with the scripture in it and offer to pray for the families. It has turned out to be a wonderful way of evangelizing the neighborhood as well as getting to know the parents of the children we're working with.

We are very proud of the direct evangelism that our ministry does. Sadly, I don't see a lot of it going on. YOU have made it possible for our ministry to continue to knock on doors and tell people about JESUS! He is RISEN!!

A special thanks goes out to our partners at the North American Mission Board. They have helped us by processing donations for over ten years. This month, we are changing back to our original set up where the donations that you so generously give go directly to Whirlwind Missions rather than through NAMB. They have gone through an extreme employee cut back from 300 to 100 personnel. We are doing our part to help lessen their work load. Our ministry is a 501 (c) 3 non profit so everything stays the same for your tax credit, only the name on the check: WHIRLWIND MISSIONS, changes. If you have any questions, feel free to let me know! We will send you your end of the year giving report in January. Thanks again for your support! Please consider an extra gift when you get your money back from Uncle Sam!

Love, **Tim and Kathy**
