 Letter from the Mission Field  
 May 2015

Hello Friends!

Hope you're doing GREAT! I'm writing from Mount Pleasant's missions conference down in Carrolton, GA. We've had a great week so far packed with everything from round tables to square dancing, but the most fun and encouraging part has been staying with the Girard Family. Mama Jade has been VERY encouraging and I want to share with you a story that happened while she was shopping this week.

Jade was in the laundry detergent section deciding which detergent to pick when a lady walks over to her and asks, "I never know which detergent to pick. Do you have a preference?"

Jade told her that she tries all different kinds but Tide has been her favorite. The two women continue talking and the lady ask, "How do I know how my clothes are getting clean for sure?"

"We'll when I want it to get clean I clean them inside out. Have you ever been clean from the inside out?" Jade asks.

"Cleaned from the inside out? Are you talking about laundry detergent?" The lady asks.

"No, I'm talking about Jesus and how he cleans you from the inside out."

The two continue talking and the lady realizes that she's never had that relationship and right there on aisle 8 Jade lead her to Christ!

I'm grateful to have met such a great woman of God and encouraged to continue using things around us to lead others to the Lord whether it's Tide, cheese, or peppers God uses everything to bring people to Him!

Another thing God has brought into our lives is a baby! We're excited to welcome Baby Kendall into our lives in November 2015! Please be in prayer for this future fourth generation missionary.

Ashley, Miles & Baby Kendall
