## Outreach Update December 2015

Hello, my friends!

I had a dream last night. I was in a dark room when suddenly a large man with a beard woke up and started shaking the lady next to him.

“Mary! Wake up! Get the baby, we have to get out of here, NOW!”

“What’s the matter, Joseph?”

“I just had a dream. The angel Gabriel appeared to me, too! He told me we have to leave right now for Egypt.”

“Egypt?! That’s a long trip and Jesus is just a few months old.”

“Gabriel told me that Herod and his men are going to kill all the babies in the village.”

“What!?”

Just then a scream shattered the still night.

“It’s already started! Quickly, get Jesus and let’s go!”

The couple gathered their belongings, wrapped the baby and rushed out the door.

“Get on the donkey, Mary. I’ll lead him. Be quiet we don’t want to attract attention from the soldiers.”

More screams and the yelling seemed to get closer. “I’m so glad we stayed at the edge of town. God was protecting us even then!” Mary exclaimed.

Over the next several weeks, the young family made their way to Egypt.

“Finally! The Nile! This has been a long trip,” Mary stated.

“Yes, indeed, sweetheart. There’s the border crossing, we’re nearly there: SAFE!”

The couple approached the border guards.

“Hello. My name is Joseph and this is my wife Mary and son, Jesus. Here are my documents.”

“Are you here for business or pleasure?” The border guard enquired.

“I’m a carpenter. We plan on staying here and opening up a business.”

“It’s says here that you’re Jewish.”

“Yes, sir, that’s true.”

“You don’t believe in our gods?”

“No, sir. We believe in the one true God,” Joseph replied.

“We’ve heard there has been terrorist activities in Bethlehem. Over 2,000 babies were killed. We have no desire to let terrorists in our country.”

“We aren’t terrorists! The soldiers were going to kill our baby!”

“Perhaps you want to get into Egypt to kill our babies, too!”

“Why would we want to kill your babies?! They were trying to kill OUR baby!”

“We have had some bad experiences with you people. I remember my great grandfather telling me how you Jews wiped out an entire platoon of Pharaoh’s army. You people are not to be trusted! I’m sorry but we don’t want more of your people in our country. It’s not safe.”

Suddenly, the supervisor of the guard came over. “Let them in. They’re just a young family. There’s nothing to worry about.” Then I woke up. I think I’ve been watching too much CNN.

Merry Christmas! We love you! *Jim and Kathy*
