

Letters from the Mission Field August 2017

Hello my friends!

Can you believe we are finished with our summer teams?! WOW! What a Whirlwind Summer it's been. We hosted 13 teams with 300 volunteers in these two months alone. During our high water mark we were about to serve at 14 missions simultaneously!

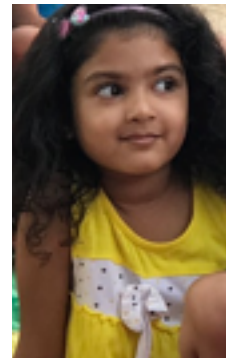

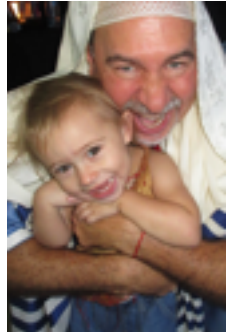

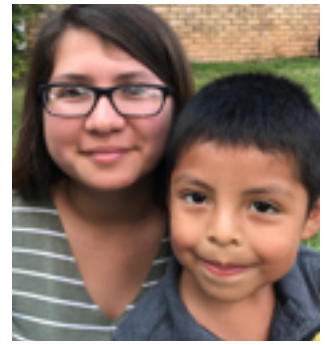

We even got new work started at a new complex with great feedback!

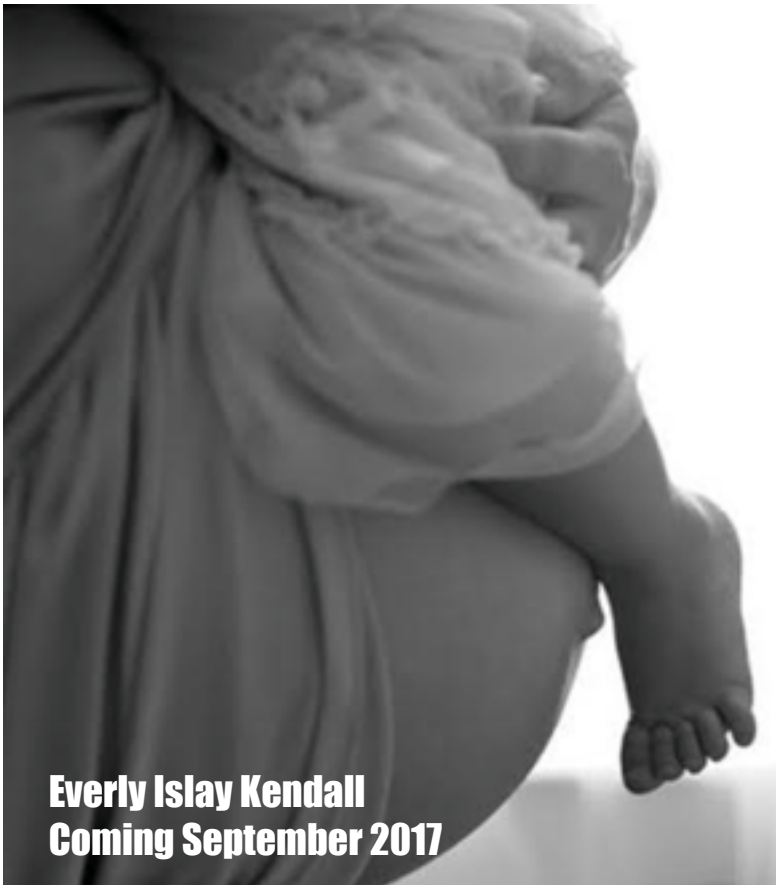

Here are some of my favorite stories from this month.

- From Azalea Place APT: "The kids were so active and engaged at this apartment complex. They were eager to hear the Bible stories and when we stopped they asked for more."
- From Lake Colony APT: "I heard several apartment kids ask if we could come back. It made me see the impact we had in our short time there."
- From Bella APT: "This one apartment kid approached me and said how much fun she had this week and that the best part was hearing the stories about God and His love for us."
From Ashford Gardens APT: "The kids at the apartment were so hungry for God. They wanted to hear more and they asked a lot of questions."
- From Alderwood Trails: "Because we only served here one day I wasn't sure what the response would be. Before we left, the apartment management came out to meet with us and they asked us to come back. They were eager to share contact information so that we would come back during the year. They were super excited about us possibly coming back."
- From Cumberland APT: "We were concerned about the weather this week since we've had so much rain this summer. On the first day of serving the weather held out (the moment we finished packing up it started to rain). The second day there was a 70% chance of rain and it didn't rain at all."
 - From Cumberland APT: "I met a man who said, 'thank you so much for watching our kids and playing with them. You have no idea what this means to us. God bless you.'"
 - From Cumberland Court APT: "A little girl came up to me after the story and asked if she could have the [Jesus Storybook] Bible so she could share it with her sister and family"
