

Letters from the Mission Field
June 2017

Hello friends!

What an amazing month it has been! We're about to rev up for the summer. Our teams summer teams start this Saturday and we've got almost all the weeks in June and July covered! Praise the Lord and thank You for all the labor!

But for our family the most exciting news...drumroll please! We're having another baby! Penelope is going to be a big sister. Earlier this month we found out that we're having another baby girl. Evie Isla Kendall is due September 21!

Penelope has been such a blessing; I can hardly wait to see what raising two little girls on the mission field is like.

Adit, one of the little boys that lives above our mission, came bouncing in the other day.

"Ashley! You're pregnant?! Again?! How?"

Hah I laughed and said, "Go ask your mother."

A little while later, I'm sitting outside on the stairs and Adit's mom comes down.

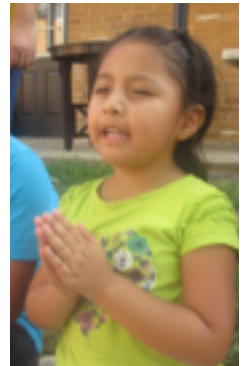

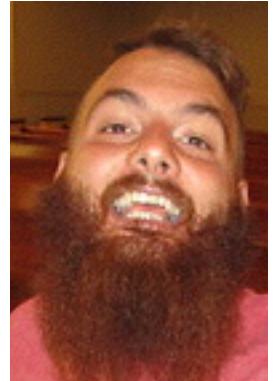

"Adit came to ask about your baby..." She shakes her head and laughs, "I guess it's time I tell him."

Thank you all for the love and support you send. Please keep praying for us and our new addition.

Love to you ALL!

Ashley, Miles & Penelope

SUMMER TEAMS HERE WE GO!

**Please pray that the Lord opens many doors into
new communities where we will be most
effective!**
